OUR FUTURE ROADMAP

Step 1: District-wise warehouses for gift card users before October 2026.

Step 2: Same-day delivery for semi-urban areas and 2-3 days delivery for rural areas by November 2026.

Step 3: Providing institutional-level crypto trading bots to every platform user free of cost by January 2027.

Step 4: Launching our own crypto blockchain and coin with node-level expertise by June 2027.

Step 5: Targeting optimized returns for all users within 20 months of investment by August 2027.

Step 6: Launching in-house manufacturing of EV vehicles including 2-wheelers, 3-wheelers, and 4-wheelers by December 2027.
